

THE SOUND FM TIMES

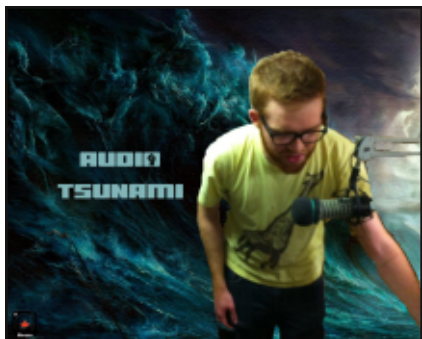

Radio Waterloo - CKMS

Feb 2016 - Issue #8

Lost and Found

Audio Tsunami

Kurtis from Audio Tsunami will forever be known as the first DJ to broadcast from the 108 King Street North location. A distinction that he shares with nobody else in the world! CKMS is saddened to lose this indie rock program from the Monday night line up. Kurtis took over the time slot from the show "Popular Musicology" and has graced the airwaves with his indie knowledge ever since. Audio Tsunami also is probably the winner of one of the best show promo posters.

The Electrifying Sessions

The Electrifying Sessions with conductor DJ Jeff E Jeff was the 2014 winner of the freshest beats award and the 2015 winner of the DJ AdRock Memorial Award for exceptional DJing. It was also this program that premiered Season 2 of the Audio Comic "The Electrifying Adventures of DJ Jeff E Jeff". The Electrifying Sessions were known for their Indie-Electronic info. None will be more saddened than Insideous Sam to see this program leave the CKMS line-up. DJ Jeff E Jeff joins Mano A Mano as a field reporter and part time host.

Coral FM

Coral and her Coral FM show recently won back to back "most community oriented show" in 2014 and 2015 and was recently picked up by CKWR. It looks like best community oriented show award is up for grabs in 2016! Coral has been with CKMS longer than anyone in the history of the station. A new show called "Interzone" will be taking the old Coral FM time slot in her

The throwback cover this month February 1978 seems to be a photo taken from the NCRC National Campus Radio Conference magazine that was put out at the same time as the FM times. Last months issue was also taken from this magazine

place with host squeekee subversive. The rumours are this host is as good as Coral.

The 10 Commandments

Presented before you here by DJ Moses brought down by word of the the rest of the Board of Directors of CKMS and building administration.

- 1) Thou shall not pee in the station or hallways of the boehmer box factory.
- 2) Thou shall not take the lords name in vain or any other swear words before 9PM
- 3) Thou shall not misuse the stations equipment or FM frequency for hate or discrimination
- 4) Honour your fellow community members
- 5) Thou shall kill the lights as one leaves
- 6) Thou shall not leave the station speakers too loud, especially when leaving
- 7) Thou shall not steal
- 8) Thou shall not bear false witness against anything that goes down in the station
- 9) Thou must not covet thy neighbours gear
- 10) Cleanth thy garbage and keep the station nice for everyone!

Glory and praise to you, DJ Saviour for it took you only six days to resurrect the wall in the station at which point, on the seventh day, you rested to honour Black Sabbath.

Future Issues:

- The logo's of CKMS' past
- Who else is in the boehmer box factory?
- Radio Waterloo getting back to being a Arts and Culture Hub

Radio Waterloo Documentary

DJ Steel, of the Mano A Mano show, is creating a Radio Waterloo documentary that will hopefully be made available for the celebration of CKMS' 40th year of incorporation in 2017. CKMS is one of Canada's oldest Campus and Community radio stations. If you have old station photo or great story about Radio Waterloo and want to be a part of the documentary, contact:

DJ Steel at
manoamanoradio@soundfm.ca

Become a Member today!

CKMS Members

The Electrifying Adventures

This audio comic was created by the DJ's here at Radio Waterloo and features all Canadian Music. The stories are loosely based on true events. The episodes can be heard from time to time during autopilot airtime but can be enjoyed in full at: www.manoamanoradio.com/comic
